### Tucker Carlson and Fox News part ways

BY DOMINICK MASTRANGELO - 04/24/23 11:37 AM ET

Tucker Carlson has parted ways with Fox News, the network said on Monday.

"We thank him for his service to the network as a host and prior to that as a contributor," the network said in a statement.

Carlson's last show was Friday, the network said.

Fox said it would air a new program called "Fox News Tonight" at 8 p.m. starting Monday evening as an interim show helmed by rotating Fox News personalities until a new host is named.

Carlson was Fox's top-rated prime-time host, netting an average of more than 3 million viewers per night, the most of any pundit on cable television.
